To all teachers, staff, parents and students,

Re: Extension of Movement Control Order (MCO) to 28th April 2020

The Prime Minister has announced that the MCO will be extended further until 28th April, 2020. The school will comply with this precautionary measure and will be closed until 28th April 2020.

During this period, students are requested to continue self-study at home. The school will continue to provide or upload course materials and study progress for all classes through the school's official website, Allschool, eClass, Google Classroom etc. Students are advised to maintain self-discipline to do revision at home and follow instructions from the teachers to complete all given assignments. Parents are also encouraged to spend more time and foster better relationship with children amid the on-going MCO.

The school once again requests everyone to comply with the MCO, stay at home and help to curb the pandemic.

Thank you.
